

World Championship 2014 of girevoy sport was held in Hamburg (Germany) 20-th – 24-th November. There competed not only professional athletes, there were amateur, junior and veteran groups. Near 550 participants came to Hamburg for competing from 35 countries. A lot of great results, a lot of records!

Parag Mhetre – athlete from India first time came to International competition. He said: “It is really great event. I’m happy to take part of this Championship. I have met a lot of great athletes. I was watching all flights – it was very interesting!”.

Russian team was the strongest. They won the team competition. Kazakhstan team has the second place, Ukraine was third. The IUKL board decided the next World Championship will be in Dublin (Ireland).
