IUKL **World Kettlebell Championship** was held 26-29 November in Dublin (Ireland). A little less than 600 athletes came to Ireland for competing. World championships among juniors and veterans were held the same time and the same place. 37 countries were in list of team results protocol.

Many athletes have really professional results. Nobody knew who will win gold, silver and bronze medals. Russian competitors achieved great result. Also athletes from Kazakhstan, USA, Ireland had a lot of high results.

Russian team has first place of team competition. Kazakhstan – second place, USA – third place.
